Harry Thaw, wearing cap; Sheriff Drew at left.

This photograph shows the Matteawan fugitive just after his capture at Colebrook, N. H., by Sheriff Holman Drew, of Coos county, after Thaw had made a futile flight in an automobile. When taken to a hotel to be put under technical arrest, Thaw was followed

by an ever increasing crowd of curious villagers.

Below is may showing devious route traversed by Thaw in auto during his few exciting hours of freedom on Wednesday. As indicated by heavy

line, he was taken from Coaticook to Norton Mills, where he was released. He then doubles back into Canada, turning the corner of Vermont into New Hampshire, drove through Beecher Falls and Stewartstown to Colebrook, where he was arrested.

## BOYS IN BLUE SPEND TIME IN SEEING OLD SIGHTS

Veterans Swarm Over Old Battlefield on Lookout Mountain While Guides Explain Maneuvers.

CHATTANOOGA, Tenn., Sept. 16.—The formal opening Monday of the Grand Army of the Republic's forty-seventh annual encampment was occupied chiefly with sight seeing tours to the historic battlefields in this vicinity. A drizzling rain did not deter thousands of veterans from making pilgrimages to Lookout mountain, Chickamauga park, and Missionary ridge.

Monday was officially designated as "Lookout Mountain day," and the veterans swarmed the scenes of the struggles of fifty years ago between confederate forces under Generals Bragg and Longstreet and union troops commanded by Generals Grant and "Pap" Thomas.

Guides explained the maneuvers of the competing forces and told thrilling stories of many sharp encounters. Although these guides learned the facts of their stories from what are considered authoritative sources they were frequently interrupted by veterans who participated in the struggle and who volunteered corrections.

Interest of the veterans already is being manifested in the election of a commander in chief to succeed Gen. Alfred B. Beers. Among the names prominently mentioned in this connection are Private Orlando Somers, of Kokomo, Ind.; Col. Clair E. Adams, of Superior, Neb.; Former Rep. Washington Gardner, of Kalamazoo, Mich.; and General J. N. Harrison of the department of Kansas.

**Business Thursday.** The first general business session of the national encampment will be called to order Thursday morning and the election of officers is likely to take place soon thereafter.

Delegates from Mobile, Ala.; Houston, Texas, and Detroit, Mich., are seeking the honor of entertaining the forty-eighth encampment.

Estimates of local newspapers and local representatives handling the crowds of veterans and visitors place the number in the city tonight at 35,000.

This number includes delegates to the allied organizations holding meetings in connection with the national encampment.

A reception to which all veterans were invited was tendered the visitors tonight.

## THREE N. Y., N. H. AND H. MEN HELD AS WRECK BLAME

Engineer of White Mountain Express and Conductor and Flagman of Bar Harbor Train Responsible, Says Coroner.

NEW HAVEN, Conn., Sept. 16.—Three employees of the New York, New Haven & Hartford railroad, are held by Coroner Eli Mix to be criminally responsible for the disastrous wreck at North Haven on Sept. 2, when the White Mountain express plunged through the second section of the standing Bar Harbor express, exacting a toll of 21 lives. The coroner's finding was filed Monday after he had conducted a "private" inquest.

Those held to be responsible are Augustus B. Miller, engineer of the White Mountain express, and Bruce C. Adams and Charles H. Murray, conductor and flagman, respectively of the Bar Harbor train.

The coroner neither blames nor absolves the New Haven road. He finds the signals were in perfect working order "and whether the hand signals are obsolete or not," the accident would have been prevented if the company's rules had not been violated. He declares the number of violations of rules by employees "makes a sorry record."

Engineer Miller was arrested on a bench warrant Monday afternoon and pleaded not guilty before the superior court. Bench warrants have been issued for Adams and Murray. It is said they will be brought into court Tuesday.

**EX-PRESIDENT OF MEXICO EIGHTY-THREE** BLARRITZ, France, Sept. 16.—Gen. Porfirio Diaz, former president of the Mexican republic, celebrated his 83rd birthday tonight by a banquet which was attended by 25 intimate friends who journeyed from various parts of Europe to offer their congratulations. The guests included his son, Porfirio Diaz, Jr., and his nephew, General Felix Diaz, who it is understood, will remain for some time at Biarritz.

The ex-president appeared to be in excellent health despite his great age.

**BLAST KILLS FOURTEEN** COBURG, Germany, Sept. 16.—Fourteen persons are dead as the result of the collapse of a tenement house Sunday night, which was caused by an explosion of gas. One entire family, man and wife and three children, was killed.

having his stomach removed. R. W. Hastings, 38, who has suffered for years with cancer, returned to his home, apparently completely cured.

BOULDER, Colo., Sept. 15.—After

the forty-first reunion of the Army

of the Cumberland also was formally opened today. Today's session was devoted to routine business and tonight an address was delivered by Gen. Anson Mills, U. S. A.

Presbyterian ministers of South Bend and a layman from each church left South Bend Monday morning for Rensselaer, Ind., where they will attend the semi-annual presbytery of the Logansport district.

Among the business topics to be considered will be the nation-wide efforts being made by the Presbyterian churches to arrange a special day on which all the pastors will join in a prayer for the school children.

At the national meeting held at Pittsburgh last month an effort was made to get the pastors to give over one Sunday morning service every year to a sermon for the school children. It was suggested that the service be held about the first of September, when the schools and colleges open. If this presbytery decides to support such an act at the next national meeting, it is possible that a measure may be adopted to arrange a day for that purpose for this district.

A measure to install the Bible in the regular course of study of the public schools will be discussed as the bill will come before the next national meeting. If passed by the national presbytery is light in Lima.

Rev. H. B. Hostetter, Rev. John S. Burns, Rev. Charles A. Lippincott and Rev. G. W. Allison were among the ministers to leave from this city. Most of them will return Tuesday night. Rev. H. B. Hostetter, however, will spend the rest of the week in a visit at Indianapolis, and next Sunday will change pulpits with Rev. H. Buchanan of the Home Presbyterian church of Indianapolis.

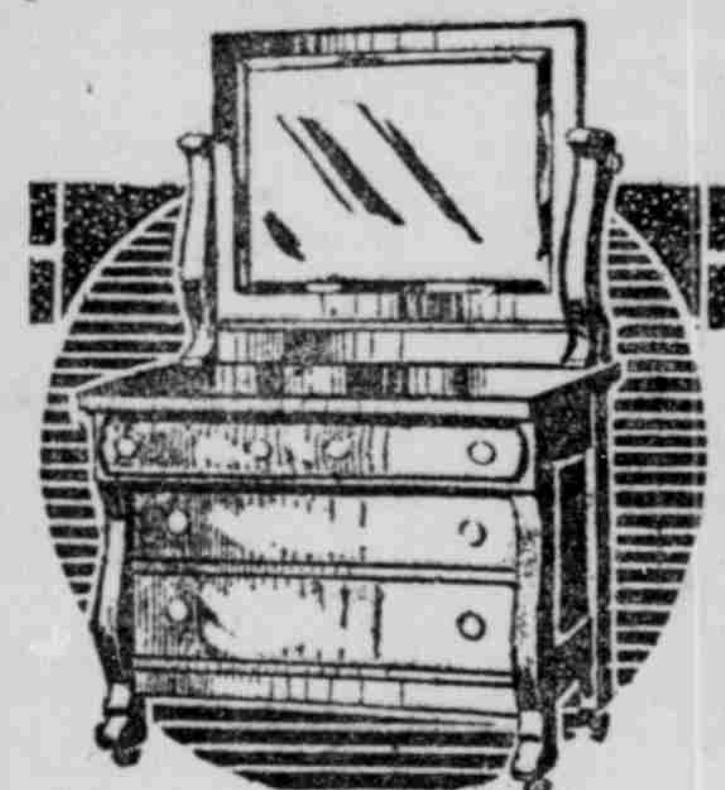

**EX-PRESIDENT OF PERU ARRIVES IN NEW YORK** NEW YORK, Sept. 16.—Augusto E. Leguia, once president of Peru, now an exile, came here from Colon, Senor Leguia left Lima, Peru, Aug. 10, after arrest and imprisonment and a narrow escape from death. On July 25 his home was attacked by a mob and the ex-president and several members of his family were arrested after they had killed two members of the attacking party. Senor Leguia was put in prison charged with conspiracy against the republic. On Aug. 10 he was released on condition that he leave the country immediately. The former president of Peru will spend several weeks in this country and then go to Europe. He still bears wounds inflicted during the fight in Lima.
